

Hot Tub Essentials.

A variety of accessories are available to complement your daily ritual.

COMPLETE
YOUR CALDERA®
EXPERIENCE.

STEPS

We offer color-matched steps to help you enter and exit your spa with ease.

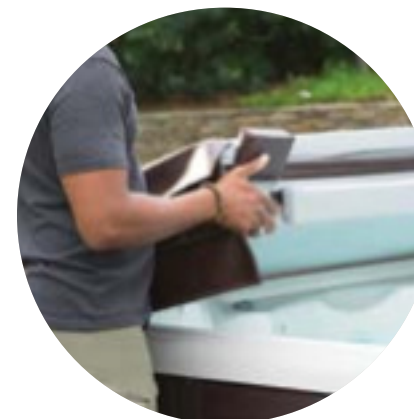

AVANTE™
Color-matched to the Avante all-climate cabinet on our Utopia® models.

ECOTECH®
Made from weather-resistant material designed to match the Paradise® and Vacanza® Series cabinets.

POLYMER
Durable and lightweight, available in Ash, Java, and Parchment.

COVER LIFTERS

A cover lifter is an essential spa accessory that protects your spa, the cover, and your investment. Designed to allow one person to effortlessly remove and replace the cover, a lifter makes it easy for you to be in your spa in seconds.

PROLIFT®
The ProLift (not available on Utopia® Series spas) attaches to both cover and cabinet and has a built-in safety lock. Requires 14" minimum clearance.

PROLIFT II
The ProLift II uses a single pneumatic gas shock for smooth operation. Requires 24" minimum clearance.

PROLIFT III
Our best lifter, the ProLift III has two pneumatic gas shocks to provide smooth, quiet operation. Requires 24" minimum clearance.

PROLIFT IV
For decks, gazebos, or other areas where clearance is limited, the ProLift IV enables you to position the cover vertically, just behind the spa. Requires just 7" minimum clearance.

*Each lifter requires 3" minimum side clearance.
