

Clean, Welcoming Water.

Our mission is to help you enjoy the benefits of a daily soak by making water care as simple as possible. How? Through innovation and technology that keeps your water fresh and clean, with less time and effort from you.

CONTINUOUS FILTRATION

The EnergyPro® Circulation Pump, available on all Utopia® and Paradise® Series spas, works efficiently to filter the entire volume of water multiple times each day.

BEST PREP FOR CLEAN WATER

Make the most of your water care system with these chemical-free accessories. The Clean Screen® pre-filter attaches to your garden hose to help remove contaminants from the water. Use Vanishing Act® or On The Go® calcium removers to reduce buildup for softer and silkier-feeling water.

SIMPLE WATER CARE

Nothing should stand between you and your next soak. Whether you choose the patented FreshWater® Salt System, available on all Utopia® and Paradise® Series spas, or the FROG® @ease® system with SmartChlor® Technology for the Vacanza® Series, you'll spend less time maintaining and more time enjoying your spa.
